CHANGE AGENT

"Any intelligent fool can make things bigger, more complex, and more violent.

It takes a touch of genius, and a lot of courage, to move in the opposite direction."

Albert Einstein

Compassion

- *Make a gift of your life and lift all mankind by being kind, considerate, forgiving, and compassionate at all times, in all places, and under all conditions, with everyone as well as yourself. This is the greatest gift anyone can give.*
- ~ David R. Hawkins

Heart Based Language

"Love is what we are born with. Fear is what we learn. The spiritual journey is the unlearning of fear and prejudices and the acceptance of love back in our hearts.

Love is the essential reality and our purpose on earth. To be consciously aware of it, to experience love in ourselves and others, is the meaning of life.

Meaning does not lie in things. Meaning lies in us."

By Marianne Williamson
